ONWARDS

P.K. LIGHTING Introduces a wide range of indoor and outdoor LED lighting solution at affordable and economical prices. Our products are tested through each stage of manufacturing to ensure quality products that give justified illumination per wattage. It is our endeavour to introduce innovative LED lighting products, which effectively deliver new and improved lighting solution to our esteemed customers.

P.K. LIGHTING LED'S is a company that provides inventive, effulgent and high quality LED lights. Scoot LEDs are highly durable and more electrical efficient than incandescent lamps. It has been shining for more than 5 years with latest and modern designs and improving every day. Company manufactures a wide range of products which includes street lights, flood lights, LED Down lights, Panel light, Surface Light, COB s and many more. We also manufacture customized lights depending upon the requirement of our customers.

We have our own driver manufacturing unit, in-house RnD Testing Team. Our driver unit produces drivers of up to 50W. Our plant has machinery of latest technology which includes LED pick place machine, screen printing, reflow and many more. The LED used in our products is of high quality.

Our highly trained staff results in production of high and better quality products. Quality assurance and customer satisfaction is our highest priority. Our high tech machinery helps to complete every process involved in the production at site. This helps us to personally monitor every step and assurance of high quality. We use all the latest equipment to test our products.

All products are fully certified to meet rebate requirements and carry industry-standard warranties. Even when the product is sold to the customer we remain in constant contact with them for regular feedback.

Our manufacturing unit is equipped with various departments which includes, designing, quality controlling, manufacturing and testing. We have established LED lights manufacturing unit with latest designs and techniques for safer and faster production of products. Our company products are supplying in the various parts of India.

LED ACCESSORIES [WARRANTY - 2 YEAR]

High Efficient, Constant Current, Shot Circuit Protection, High Voltage Protection, Oven Heat Protection DR-18W & DR-24W Light automatically shut down protection after 280V above Voltage supply.

LED DRIVER

Features :

- Ultra-slim and low profile.
- Four-side LED PCB boards design.
- High level aluminium edge, best for heat sink.
- Mercury free and long-lasting
